

PHILIPP SELVA

ARMCHAIR ST. GERMAIN

Code: 1093

Description:

design Leonardo Dainelli

cm. W 91- D 99 - H 49/81

in. W 35.8 - D 39 - H 31.9/19.3

Frame: for the weight-bearing sections, we use multi-ply wood and solid wood.

For the base of the upholstery, high-quality polyether foam is used.

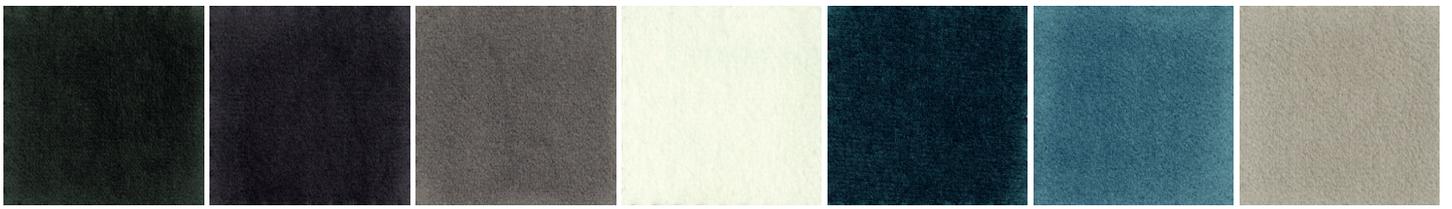

Cushion upholstery: high quality polyether foam on webbing. For the seat cushions, we use a core of high-quality polyether foam with a sectioned down mixture covering (down/acrylic fibers). The underside of the seat cushion is covered with cotton fabric for better air circulation.

this model is only available in leather or in plain-coloured fabrics. Legs covered with fabric or leather.
