# ARMONIA DI SQUADRA CHE CREA ARMONIA DI VITA

---

Ha un corpo solido costituito dalla sua esperienza pluridecennale, un'anima flessuosa che la fa muovere tra tradizione e innovazione e un abito elegante tessuto su un fitto intreccio di precisione e design.

La nostra storia comincia oltre mezzo secolo fa, ad Altamura, in quello che, grazie alla passione e all'operosità dei suoi lavoratori, è riconosciuto come il distretto del mobile imbottito murgiano. Qui, nel 1956, il suo fondatore, Rocco Ferri, ha dato vita a MaxDivani, l'azienda che in poco tempo si è affermata per la qualità superiore espressa dai suoi divani artigianali.

Nel tempo l'azienda è cresciuta insieme alla sua produzione. La tenacia e la lungimiranza che il fondatore Rocco è riuscito a infondere nelle generazioni successive della famiglia Ferri, come nei collaboratori, ha portato ad ampliare i successi dei nostri salotti, proiettando MaxDivani verso una dimensione internazionale.

L'eccellenza raggiunta è opera di una squadra di lavoro interna affiatata ed entusiasta e di una rete di collaboratori attentamente selezionati per rispecchiare i valori originari dei nostri divani, completamente italiani. Designer, progettisti, artigiani, falegnami, fabbri, architetti ed arredatori compongono insieme il prezioso puzzle che diventerà protagonista dei salotti di casa vostra.

Diffondere e rendere accessibile il lusso della lavorazione artigianale e l'originalità del design dei divani Made in Italy, senza mai perdere in comfort e qualità, è la sfida che ci ha affidato il mercato, migliorare la qualità della vita di tutti quella che abbiamo scelto.

MaxDivani ha ancora molto da raccontare, perciò vi invitiamo ad accomodarvi, è la cosa che ci riesce meglio!

# TUTTO IL VALORE DI CASA NOSTRA PER DARE VALORE A CASA TUA

I divani Made in Italy MaxDivani sono il risultato di un appassionato passaggio di testimone tra designer, progettisti, falegnami, fabbri e tappezzieri. Ogni protagonista mette in gioco tutte le sue potenzialità creative e operative per dar vita ad un prodotto curato e testato per essere resistente e confortevole, piacevole e definito, rispettoso della lezione della tradizione, con lo sguardo rivolto al futuro. I nostri divani artigianali nascono dal tratto originale dei designer. I professionisti dello stile immaginano linee accoglienti

attraverso cui declinare l'eleganza dei classici e gli stimoli delle tendenze moderne. Questo sapiente equilibrio viene mantenuto grazie all'intervento dei progettisti che traducono l'idea in visualizzazioni 3D. Qui l'immagine comincia a prendere forma, concretizzandosi in quei prototipi che, dopo essere stati accuratamente collaudati e modificati fino al raggiungimento dei massimi standard di comfort e stabilità, diventeranno divani emblema del Made in Italy.

## TAGLIO E CUCITO DELLA TAPPEZZERIA

La selezione delle pelli e dei tessuti, le operazioni di trattamento e la cucitura acquisiscono un'importanza particolare quando si è consapevoli che si sta confezionando un abito unico e originale per un progetto nato da grande impegno, studio delle forme e passione per il dettaglio.

La cura che i designer e gli artigiani di MaxDivani dedicano alla confezione dei rivestimenti dei divani, totalmente Made in Italy, permette di realizzare modelli capaci di lasciare una traccia inconfondibile in ogni ambiente. Al termine delle varie fasi di produzione, i divani artigianali MaxDivani sono pronti per l'ultima tappa della loro corsa vincente: tagliare il traguardo dell'eccellenza entrando nelle vostre case.
