

BRANDO SOFA

Code: 1174

Description:
design Leonardo Dainelli

cm. L/W 300 - P/D 100 - H 45/90

in. W 118.1 - D 39.3 - H 35.4/17.7

Frame: for the weight-bearing sections, we use multi-ply wood and solid wood.
For the base of the upholstery, high-quality polyether foam is used.

Cushion upholstery: high quality polyether foam on webbing.

For the seat cushions, we use a core of high-quality polyether foam with a sectioned covering in down.

The underside of the seat cushion is covered with cotton fabric for better air circulation.

This model is only available in leather or in plain-coloured fabrics.

Legs covered with fabric or leather.
